President's Message – February 2006

By: Misty Dawn Crim, CIT

The first month of the year has already been there and gone. Can you believe it? I can't we in the construction industry are suppose to be enjoying a slow laid back time. A time to get rid of those piles of paperwork on our desk. Has anyone had a chance to do that? I know I haven't, it has been go go go non-stop. I hope I am not alone in this feeling.

NAWIC has a couple great events coming up in the next couple months. February 24 is our Block Kids Event. It is going to be held at Williwaw Elementary School.

Volunteers are welcomed. Please contact Evie Clark for more information. (business card below).

For March we have our WIC Week. "Women In Construction Week." Businesses are asked to nominated women in their office for a "Constructive Woman" Award. More information to follow.

Our February General meeting date and location has been changed. We are having on meeting on Wednesday, February 21, 2007. The location is the WestMark Hotel downtown across from ORSO's. It will be a joint meeting with ASHRAE (American Society of Heating, Refrigeration and Air-conditioning Engineers) and SWE (Society of Women Engineers). Please mark your calendars for the date and location.

The March General Meeting date has been changed. It is the 1st Wednesday in March. Location is the Coast Intl Inn.
