PRESIDENTS LETTER

ANNE DENNY

Elections are over and a new Board is set to take over this fall. I would like to thank every one who came out on a warm summer evening to cast their vote. Dick Cattanach of AGC was on hand to give a talk on the growing skilled labor shortage and offer up some possible solutions. The Anchorage Home Builders Association also recognizes the need for more young people to enter the skilled labor market and will be partnering with AGC to work on local solutions. Many members of NAWIC are also affiliated with the AHBA or AGC and we would welcome your input or enthusiasm in working on ensuring future members of the job market.

Delegates have been selected to attend our National Convention in Grapevine, Texas, but anyone who has the opportunity should try and attend one of these national events. There really is a lot of camaraderie, education and networking that happens at these conventions that shouldn't be missed.

Hope to see all of you on the golf course at Settler's Bay on Sunday. Evie has promised another blue bird day and we are going to hold her to it.
