

ALASKA NAWIC SPONSORSHIP PACKET

NAWIC
The National Association of
Women in Construction

2024

Alaska

Dear Potential Sponsor:

The Alaska Chapter of NAWIC has many exciting activities planned for 2024. Our chapter has been busy planning the activities for the upcoming year and are planning an incredible WIC Week celebration and educational summit.

Maximize your exposure as a sponsor of the Alaska Chapter with the following benefits:

Build Your Brand: Choose a combination sponsorship level allowing your exposure to be compounded and built upon by sponsoring all of our events.

Build Your Network: Construction is a vast community and we have approximately 80 construction professionals that include members from architecture and engineering, marketing, human resources, bonding, accounting, safety, management and quality control as members. NAWIC is a premier organization for women in construction in the country allowing you to have a nation of sisters to access when the need arises.

Influencer Benefits: Sponsorship packages offer many benefits ranging from advertisement during our annual golf tournament, our Block Kids contests, WIC Week events, educational programs, the NAWIC website, and social media posts throughout the year.

The following pages include the various sponsorship opportunities to support the Alaska Chapter including our golf tournament. Choose a combo or a specific sponsorship. Don't delay as certain sponsorships are limited and we don't want you to miss out.

Visit the sponsorship page on our website to select your sponsorship package.

If you have any questions, reach out to Tamie Taylor at ttaylor@tbsak.com or 907-223-3098. Thank you for your support!

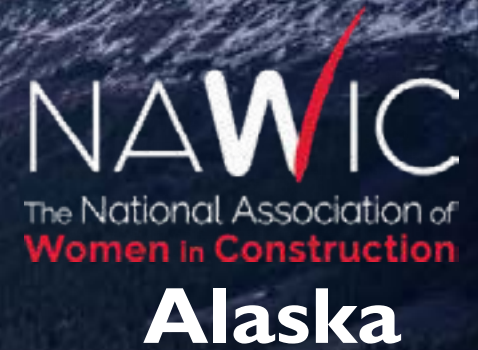

Sincerely,

Sarah Dow
